

BMSD'11 / INNOV'11 Social Event:

DINNER AT THE "VODENITSATA" RESTAURANT

July 27, 19:20 - 23:00

This social event is subject to registration. Tickets can be bought at the symposium welcome desk. The price is 65 EURO per person (45 EURO for accompanying person).

With Sofia being ringed to the south by the Vitosha Mountain (one of the most beautiful mountains in Bulgaria), the traditional Bulgarian restaurant 'Vodenitsata', nicely located in a Vitosha mountain area, is less than 15 km away from Hilton Sofia Hotel where the BMSD'11 sessions will take place. Following the Bulgarian gastronomic traditions, Vodenitsata is a restaurant that offers a full and high quality service having in consideration the diverse needs of any celebration or event. Moreover, Vodenitsata offers a unique atmosphere - a combination of traditional interior (inside) and relaxation mountain spirit (outside):

During the dinner we will enjoy beautiful 'Nestinarstvo' dancing - a barefooted dance on smoldering embers:

This ritual is a unique mixture of Eastern Orthodox beliefs and older pagan traditions, performed in several Bulgarian- and Greek-speaking villages in the Strandzha Mountains close to the Black Sea. The right to perform the ritual would be hereditary and the head nestinar may be succeeded only by his or her son or daughter.

We hope that it would be enjoyable experiencing the flavors of Bulgarian cuisine as well as the relaxed mountain atmosphere and an unforgettable program.
